

The Church of England
Diocese of Ely

All Saints' Church, Walsoken
Renovation Project

Email

This email was sent directly to the following 25 'Architects' contacts on 11th May 2026

We are a Grade 1 listed church building near Wisbech in Cambridgeshire. Our church is just within Norfolk. Our last Quinquennial Inspection (2023) showed that an estimated spend of more than £1m is required to professionally discharge those fabric issues identified.

Our PCC is seeking an experienced lead consultant (conservation accredited architect or surveyor) to work with them to prepare up to RIBA stage 4 for the renovation works: To undertake a new quinquennial inspection report using the Diocese of Ely/national pro-forma and to include estimated cost of repairs or using the 2023 Quinquennial Inspection. Then prepare a schedule of necessary repair works to include the provision of a feasibility level study.

I would be grateful if you could kindly respond if you are interested in this work? If so, I can send the brief.

Thanks

Best Regards
Bob Cox
